

STUDENT LOAN PROMISSORY NOTE AND CREDIT AGREEMENT
--

Student Borrower	Co-Borrower

Advance(s)/Direct Disbursement(s) of Total Loan Amount		
Amount	Scheduled Date	Advance or Direct Disbursement

- Parties to this Note:** In this Note, the terms “you” and “your” refer to each Student Borrower and his/her Co-Borrower (if any) under this Note identified above. The term “we”, “us”, “Company” and “our” refer to Climb Investco, LLC, www.climbcredit.com, and any subsequent holder of this Note. The term “School” refers to the school identified in the Application.
- Nature of this Note:** This Note establishes the terms by which you may borrow money from us to pay for the cost of the Student Borrower’s attendance at the School identified in your Application and/or educational related expenses attendant to attending the School. If there is more than one of you, each of you is jointly and severally liable under this Note. You agree that the terms of this Note will govern the Loan. You become obligated under this Note when you sign a copy of this Note manually or electronically, and email or mail it to us at the email address or the mailing address we provide to you, or submit it through our student portal.
- Disclosure Statements.** When we approve your request to make a Loan we will send you an Approval Disclosure Statement. Among other things, the Approval Disclosure Statement will tell you the total amount of your Loan, your interest rate and the amount of your Loan Origination Fee. If the amount of the Loan is reduced because we have been notified that the cost of the Student Borrower’s attendance at the School has decreased or that other financial aid that you receive has increased, we may reduce the Loan amount without sending you a new Approval Disclosure Statement. Following your receipt of the Approval Disclosure Statement you will have 30 calendar days to accept the Loan. To accept the terms of the Loan offer, you must contact us by the date and by the method set forth on the Approval Disclosure Statement. **If you do not accept the Loan offer by the date and by the method set forth on the Approval Disclosure Statement, your Application will be cancelled and we will not make the Loan to you.** If you do accept the Loan offer, we will send you a Final Disclosure Statement. The Final Disclosure Statement will be sent to you before your Loan is executed (including before Advance(s) are disbursed to the School or funds are disbursed directly to you). Your Final Disclosure Statement will provide you with information about your right to cancel the Loan and the deadline for doing so. If you cancel the Loan during the cancellation period identified in the Final Disclosure Statement no Advance(s) will be disbursed, no disbursement(s) will be made to you directly, and your Loan will be cancelled. You understand that after the expiration of the cancellation period identified in the Final Disclosure Statement that you will have no right to cancel the Loan. Your Disclosure Statements are incorporated by reference as additional terms of this Note. Company does not have any control over tuition or fees charged by School. In some cases, School may increase tuition or fees in connection with Student’s classes. Company does not have any obligation to provide Student with additional financing for any increase in tuition or fees.
- Additional Definitions:** In addition to terms defined elsewhere in this Application and Note, the following are defined terms as used in this Note:

“Advance” means our provision of money that is disbursed (or deemed advanced or disbursed, as determined between Company and School) solely to the School for the benefit of the Student Borrower. An Advance may be made by check, electronic funds transfer, or any other means of disbursement that we select in our sole discretion.

“Applicable Law” means the federal law and, to the extent not preempted, the laws of the State of your permanent place of residence without regard to the conflict of law rules.

“Application” means the written, Internet-based or oral (including telephone) request for a loan of money that you make to us.

“Approval Disclosure Statement” means the Private Education Loan Disclosure statement required by the federal Truth-in-Lending Act and its implementing regulation.

“Cosigner Notice” means any notice that describes the obligations of a Co-Borrower under the Note.

“Deferment Period” means the first period of time indicated in your Approval Disclosure Statement in the section titled, Estimated Repayment Schedule & Terms or the earlier of the date that the Student Borrower (a) is no longer in School or (b) is no longer making satisfactory progress towards his/her completion of the program as determined by the School.

“Direct Disbursement” means any provision of money that is disbursed by us directly to the Student Borrower. A Direct Disbursement may be made by check, electronic funds transfer, or any other means of disbursement that we select in our sole discretion that is accepted by you.

“Disbursement Date” means the date(s) on which we make an Advance to the School, on your behalf, and/or disburse funds to you directly as a Direct Disbursement, under the terms of this Note.

The Loan Origination Fee is fully earned by us when we disburse the first Advance on your Loan and/or disburse funds directly to you. If you are a resident of Iowa and you make a prepayment, we will refund to you a portion of this Loan Origination Fee as prescribed by the Iowa Consumer Credit Code. If you are a resident of Montana at the time you signed this Note, you will not be charged a Loan Origination Fee.

“Note” means this Promissory Note setting forth the terms applicable to your Loan. 5. Promise to Pay:

5.1 A table at the beginning of this Note sets forth the amount(s) and scheduled date(s) of the Advance(s) and any Direct Disbursement(s) of the Total Loan Amount set forth in the Final Disclosure Statement (the "Disbursement Table"). The Disbursement Table is a part of this Note and sets forth terms applicable to your Loan. You acknowledge and agree that each Advance and/or Direct Disbursement will be made on the scheduled date thereof set forth in the Disbursement Table (a "Scheduled Date") only if:

You also acknowledge that, as discussed in Section 3 above, the Total Loan Amount may be reduced in certain circumstances, in which case the amounts and Scheduled Dates of Advance(s) and/or any Direct Disbursement(s) will be adjusted as appropriate.

5.2 You promise to pay to our order, according to the terms in this Note, the total Principal amount shown on the Final Disclosure Statement, plus (a) all interest that accrues on such Principal, (b) the Origination Fee and (c) any late charges or other fees, costs and charges that may be added to your Loan as provided in this Note and to the extent permitted by Applicable Law. We will apply your payments in any order that we choose, subject to the requirements of Applicable Law. Your payment amount will be calculated in accordance with the terms of this Note and will be reflected on the periodic statement that we send to you. You agree to pay this amount by the payment due date reflected on your periodic statement. You understand that the Student Borrower's failure to obtain his/her degree or to complete his/her course of study at the School does not relieve you of your obligations under this Note, including your obligation of payment, even if such failure is caused by the School ceasing to provide education services.

You agree that any refund due to you from your school and any other previously agreed to fees may be paid directly to Climb Investco, LLC in satisfaction of any amounts due under this note.

6. Your Payment Amount: The amount of your monthly payment will be calculated as provided below.

6.1 During Deferment Period.

6.2 During Repayment Period. During the Repayment Period you will make consecutive monthly payment of principal and interest in the amounts and on the payment due dates as indicated on the monthly statements that we or our servicer send to you.

6.3 Minimum Repayment. Notwithstanding the provisions of Section 6.2, you understand and agree that during the Repayment Period you will pay at least \$50 each month (this amount is comprised of Principal and interest) or the unpaid Loan balance, whichever is less. You understand that this minimum repayment amount may result in your Loan being paid in full before the end of the Repayment Period.

6.4 Amounts Owed at End of Repayment Period. Interest accrues daily on the Principal of your Loan.

Also, if you have not paid previously assessed fees or charges, you will also owe those additional amounts. If these events occur, we will increase the amount of your final payment amount in a manner necessary to repay your Loan in full.

6.5 You Have a Right to Prepay. You have a right to prepay all or any part of your Loan at any time, without penalty. Any partial prepayment will be credited against the Principal amount of your Loan and will not reduce the amount of your next payment due on the Loan. Prepayments will reduce the total cost of your Loan.

7. Interest: The following terms govern the manner in which we calculate interest for your Loan:

7.1 Interest Accrual Generally. Interest will accrue on the unpaid Principal amount of your Loan commencing on the Disbursement Date at the interest rate disclosed on your Final Disclosure Statement. Interest is calculated on a daily simple interest basis, which means that we apply a daily rate of interest to the outstanding Principal balance of your Loan each day. We calculate the daily rate by dividing the annual interest rate then in effect by the number of days in the year.

7.2 Simple Interest. This is a simple interest loan. This means that the amount of interest you will actually owe under this Note may vary depending upon when you make your monthly payments. The earlier you make your payments before their due dates, the less interest you will owe. On the other hand, the later you make your payments after they are due, the greater the amount of interest you will owe. In such cases, we will increase the amount of your last payment to the amount necessary to repay your loan in full.

7.3 Interest After Default. If you default under the terms of this Note, the unpaid Principal will accrue interest in the manner provided in this Note until you pay all that you owe.

7.4 Interest After Maturity. If you have an unpaid Principal balance at the end of the Repayment Period interest will continue to accrue on this amount in the manner provided in this Note until you pay all that you owe.

7.5 Interest After a Refund. Unless otherwise required by law, Climb does not refund interest that has been paid. When you make payments, funds are first applied to the accrued unpaid interest and then the principal. As interest is part of the cost of borrowing with Climb, it is not refundable.

7.6 Savings Clause. If Applicable Law which sets maximum interest or finance charges, is finally interpreted so that the interest or other charges collected or to be collected in connection with this Note exceeds the permitted limits, then: (a) any such charge shall be reduced by the amount necessary to reduce the charge to the permitted limit; and (b) any sums already collected from you which exceeded permitted limits will be refunded to you. We may choose to make this refund by reducing the Principal you owe under this Note or by making a direct payment to you. If a refund reduces Principal, the reduction will be treated as a partial prepayment. You will continue to be obligated to pay the Interest and Principal sums under the note at a rate that is permitted.

7.7 Annual Percentage Rate ("APR"): The APR for the Loan will be disclosed on your Final Disclosure Statement. The APR may be higher than the interest rate described above because the APR will include fees that are charged for your Loan as well as the rate of interest that accrues.

8. Rescission Period: You have the right to cancel this transaction, without penalty, by the date which will be stated in the "Right To Cancel" section of your Final Truth-in-Lending disclosure. No funds will be disbursed to you or to your school until after this time. You may cancel your loan before this date by contacting us at hello@climbcredit.com.

9. Forbearance: If you are unable to repay your Loan in accordance with the terms of this Note, you may request that we modify these terms. You understand that such modification is solely at our option and may be subject to any requirements that we establish and that are then in effect (including, but not limited to, the condition that the Student Borrower is no longer enrolled in School). You understand that you remain responsible for all interest accruing during any period of forbearance. Any Co-Borrower on this Note agrees that the Student Borrower may request a forbearance without obtaining the consent of the Co-Borrower.

- 10. Late Charges:** If any payment is not received within 10 days after its due date, or within 15 days after its due date if you were a California, Florida, Mississippi, or Maine resident at the time that you signed this Note, you will be charged and you agree to pay us a late charge of \$15 or 5% of the amount of the past due payment, whichever is less, not to exceed (i) \$7.50 if you were a Texas resident at the time you signed this Note, (ii) 4% of the amount of the past due payment if you were a Florida resident at the time that you signed this Note, and (iii) \$10 if you were a Maine resident at the time you signed this Note. If you were a Minnesota resident at the time you signed this Note, your late charge is greater of \$7.80 or 5% of the amount of the past due payment. If you were a resident of Ohio, your late charge is the lesser of 5% of your past due payment or \$5. After we have accelerated the entire amount you owe under this Note, you will not be charged a late charge.
- 11. Military Lending Act:** The Military Lending Act provides protections for certain members of the Armed Forces and their dependents ("Covered Borrowers"). The provisions of this section apply to Covered Borrowers. Federal law provides important protections to members of the Armed Forces and their dependents relating to extensions of consumer credit. In general, the cost of consumer credit to a member of the Armed Forces and his or her dependent may not exceed an Annual Percentage Rate of 36%. This rate must include, as applicable to the credit transaction or account: (1) the costs associated with credit insurance premiums; (2) fees for ancillary products sold in connection with the credit transaction; (3) any application fee charged (other than certain application fees for specified credit transactions or accounts); and (4) any participation fee charged (other than certain participation fees for a credit card account). Before signing this Note, in order to hear important disclosures and payment information about this Note, you may call 888-510-0533. The Arbitration Clause set forth in this Contract does not apply to Covered Borrowers.
- 12. Collection Costs:** If we refer this Note for collection to another party, you agree to pay us our costs of collection, subject to Applicable Law. You agree to pay us reasonable attorneys' fees for attorneys who are not our salaried employees, not to exceed 15% of the unpaid Loan amount after default for Alabama, Florida and South Carolina residents, and, except for South Carolina residents, any court costs we incur in enforcing this Note, to the extent permitted by Applicable Law.
- 13. Default and Remedies.** To the extent permitted by Applicable Law, you will be in default of this Note if you:
- Fail to make a payment on this Note within 30 days after its due date;
 - Fail to notify us of any change in your name, address, telephone number, or School enrollment status within 10 days after the change occurs;
 - Break any of your other promises under this Note;
 - Make an untrue statement or misrepresentation in the Application you give us, or any other certificate or document you give us in connection with this Note;
 - Fail to provide us with authorization to obtain verification of your income, including federal and state tax returns, when we ask for it;
 - Fail to provide verification of enrollment status when we ask for it, or you give us false information;
 - Fail to use the Loan Amount, other than amounts we deduct from the Loan Amount, for education related expenses;
 - Die;
 - Make an assignment for the benefit of creditors, or you file, or allow to be filed against you, a proceeding of bankruptcy, reorganization, debt adjustment or arrangement, receivership, trusteeship, liquidation, or other legal or equitable proceeding involving your finances;
 - Allow a judgment, tax lien, municipal charge or tax levy to be filed against you; or
 - Assign this Note, or any part thereof, without our prior written consent.

If you are a resident of South Carolina, you will be in default of this Note if:

- You fail to make a payment on this Note within 30 days after its due date; or
- The prospect of payment or performance under this Note is significantly impaired.

Your failure to receive a billing statement from us does not relieve you of your responsibility and obligation of making your required monthly payments in accordance with the term of this Note.

To the extent permitted by Applicable Law, if you are in default, we may, at our option, and subject to any requirement to provide you with a notice of default and intent to accelerate and the right to cure the default: (a) accelerate your payment obligations and demand that you pay all that you owe at once, and (b) take any reasonable action to prevent loss by us, and (c) exercise any other legal or equitable remedies available to us. Additionally, if you default, School may take additional action with respect to your coursework or ability to enroll in future courses at the School.

- 14. Tuition Reimbursement Programs:** You hereby agree to provide Climb with the name and address of any current or future employer who has a tuition reimbursement program for which you do or may qualify and agree that Climb has the option, in its discretion, to contact that employer and provide any information necessary to enroll you in the tuition reimbursement program. You further hereby authorize any such employer to pay any tuition reimbursement you are eligible for directly to Climb. Climb will reduce the amount you owe under this Note by any amounts collected from a tuition reimbursement program as if these amounts were prepayments under this Note."
- 15. No Accord and Satisfaction:** A restrictive endorsement on any payment item (such as "paid in full") will not be considered an accord and satisfaction of what you owe under this Note. If you dispute any amount you owe us, you must write to us at the address we provide to you for correspondence.
- 16. Modifications:** For other than forbearance or deferment of payments, the terms of this Note may not be modified unless we agree to such modifications in writing.
- 17. Credit Information/Enrollment Verification:** You authorize us to investigate your creditworthiness, and to obtain credit information, including a consumer credit report, about you from others, such as credit reporting agencies, other creditors, or educational loan information clearinghouses. You agree to provide us with authorization to obtain verification of your income, including federal and state tax returns, when we ask for it. We may furnish information about your loan to consumer credit reporting agencies, or to other persons who may legally receive such information. **We may report information about your account to credit reporting agencies. Late payments, missed payments, or other defaults on your account may be reflected in your credit report.** You authorize us to obtain enrollment authorization from the School and agree to sign any authorization request for this verification that we request.
- 18. Delay in Enforcement:** We may delay enforcing our rights under this Note without losing any of our rights. Our delay in enforcement, or non-enforcement, of our rights shall not act as a waiver of those rights or preclude the exercise of those rights in the event of a future occurrence of the same event. We may also extend or defer the time allowed for making payments at your request, and such extension shall not affect your obligations, or the obligations of any guarantor, whether or not you, or any guarantor, are given notice of the extension.

- 19. Cooperation:** You agree to notify us of any change in your Mailing Address shown above. You agree to cooperate with us in adjusting for any clerical errors on any documents relating to this Note. You agree to execute any additional documents we need in order to comply with any and all laws, rules or regulations, or our policies and procedures.
- 20. Entire Agreement:** The terms and conditions in the Application, Note or the Disclosure Statements represent the entire agreement between you and us with respect to the Loan. If any provision of this Note is deemed to be unenforceable or invalid it shall be considered omitted and this omission shall not affect the validity or enforceability of the remainder of the Note. We may delay, fail to exercise or waive any of our rights under the terms of this Note or Applicable Law without losing ability to exercise them at any future time.
- 21. You Must Update Us:** You agree that you will update the information provided in the Application whenever we ask you to do so. You also agree to send us written notice within 10 days of any changes in your name, address or enrollment status at the School. You authorize us, our servicer or our other agents to verify your Social Security number with the Social Security Administration (the "SSA") and if the Social Security number listed on the Application or your Loan records with us is incorrect, then you authorize the SSA to disclose your correct Social Security Number to us.
- 22. Our Notices to You:** You agree that we may send you any notice that is required under the terms of this Note or Applicable Law: (i) at the mailing address we have on record for you; (ii) via the e-mail address you provide us; and/or (iii) via your student portal account. Any notice we provide to you is considered to be effective, for (i) above, upon dropping off in the mail; for (ii) above, upon "clicking send" via e-mail; and for (iii) above, upon uploading to your student loan account. Unless otherwise required by Applicable Law, we do not need to give a separate notice to the Co-Borrower (if any).
- 23. Release and Amendment:** If there is more than one of you, we may release one of you without releasing the other. We may extend new credit, renew, modify, extend the term of, or change this Note with your agreement. Any amendment of the terms of this Note shall not affect the validity or enforceability of the remainder of the Note. The terms of this Note shall be binding upon you and your heirs and personal representatives.
- 24. Assignment:** You may not assign this Note, or any of its benefits or obligations. We may assign the Note, and payments due under the Note, at any time without affecting the validity or enforceability of the Note. **If we assign or otherwise transfer this Note, our rights under Applicable Law or under this Note are in no way altered or impaired.** Your obligations under this Note bind your heirs, successor and permitted assigns.
- 25. Dischargeability:** You understand that your Loan may be subject to limitations on dischargeability in bankruptcy established by Section 523(a)(8) of the United States Bankruptcy Code.
- 26. Release of Information by or to School:** You authorize the School to release to us, our servicer or our agents any requested information pertinent to the Loan including (but not limited to) enrollment status, prior loan history and your current address. You further authorize us to release to the School information regarding the status of this Loan, this Note and/or this Application, including the information you provided on the Application, and any other information you have provided to us. We do not sell or otherwise make available any information about you to any other third parties for marketing purposes.
- 27. Counterparts.** This Note may be executed in two or more counterparts, each of which is deemed an original but all of which together constitute one and the same instrument.
- 28. Certification and Acknowledgment:** You declare under penalties of perjury that the information you provided in the Application in connection with the Loan is true and correct to the best of your knowledge and made in good faith. You certify that the Advance(s) and any disbursements made directly to you will be used for qualified educational expenses at the School and for no other purpose. You acknowledge that you have read, understand, and agree to the terms of this Note. You acknowledge that you have received a true and complete copy of this Note.
- 29. Signatures:** You agree that if you sign this Note and transmit such signed Note to us via facsimile or electronically transmitted portable document format, or authorize the same, such transmission shall be treated in all manner and respects as an original signature (or counterpart thereof) and shall be considered to have the same binding legal effects as if it were the original signed version thereof delivered in person. You agree not to raise the use of a facsimile machine or electronic transmission in portable document format to deliver a signature or the fact that any signature was transmitted or communicated through the use of facsimile machine or electronic transmission in portable document format as a defense to enforceability of this Note and you forever waive any such defense.

30. Claims and Defenses:

NOTICE: ANY HOLDER OF THIS CONSUMER CREDIT CONTRACT IS SUBJECT TO ALL THE CLAIMS AND DEFENSES WHICH THE DEBTOR COULD ASSERT AGAINST THE SELLER OF GOODS OR SERVICES OBTAINED WITH THE PROCEEDS HEREOF. RECOVERY HEREUNDER BY THE DEBTOR SHALL NOT EXCEED AMOUNTS PAID BY THE DEBTOR HEREUNDER.

31. Arbitration Provision:**ARBITRATION PROVISION****PLEASE REVIEW – IMPORTANT – AFFECTS YOUR LEGAL RIGHTS**

- 1. EITHER YOU OR WE MAY CHOOSE TO HAVE ANY DISPUTE BETWEEN US DECIDED BY ARBITRATION AND NOT IN COURT OR BY A JURY TRIAL.**
- 2. IF A DISPUTE IS ARBITRATED, YOU WILL GIVE UP YOUR RIGHT TO PARTICIPATE AS A CLASS REPRESENTATIVE OR CLASS MEMBER ON ANY CLASS CLAIM YOU MAY HAVE AGAINST US INCLUDING ANY RIGHT TO CLASS ARBITRATION OR ANY CONSOLIDATED OR INDIVIDUAL ARBITRATIONS.**
- 3. DISCOVERY AND RIGHTS TO APPEAL IN ARBITRATION ARE GENERALLY MORE LIMITED THAN IN A LAWSUIT, AND OTHER RIGHTS THAT YOU AND WE WOULD HAVE IN COURT MAY NOT BE AVAILABLE IN ARBITRATION.**

Any claim or dispute, whether in contract, tort, statute or otherwise (including interpretation and scope of this Arbitration Provision, and the arbitrability of the claim or dispute), between you and use or our employees, agents, successors or assigns, which arises out of or relates to your credit application or this Note, or any resulting transaction or relationship (including any such relationship with third parties who do not sign this Note) shall, at your or our election, be resolved by neutral, binding arbitration and not by a court action. If federal law provides that a claim or dispute is not subject to binding arbitration, this Arbitration Provision shall not apply to such claim or dispute. Any claim or dispute is to be arbitrated by a single arbitrator on an individual basis and not as a class action. You expressly waive any right you may have to arbitrate a class action. You may choose the American Arbitration Association (www.adr.org), or any other organization to conduct the arbitration subject to our approval. You may get a copy of the rules of an arbitration organization by contacting the organization or visiting its website.

This Arbitration Clause does not apply if, as of the date of this Note, you are a member of the armed forces or a dependent of such member covered by the federal Military Lending Act. If you would like more information about whether you are covered by the Military Lending Act, in which case this Arbitration Clause does not apply to you, you may contact us at 888-510-0533.

Arbitrators shall be attorneys or retired judges and shall be selected pursuant to applicable rules. The arbitrator shall apply governing substantive law and the applicable statute of limitations. The arbitration hearing shall be conducted in the federal district in which you reside. You and we will pay the filing, administration, service, or case management fee and the arbitrator or hearing fee in accordance with the rules and procedures of the chosen arbitration organization. If the rules of the chosen arbitration organization do not specify how fees must be allocated, we will pay the filing, administration, service or case management fee and the arbitrator or hearing fee up to a maximum of \$5,000, unless the law requires us to pay more. The amount we pay may be reimbursed in whole or in part by decision of the arbitrator if the arbitrator finds that any of your claims is frivolous under applicable law. Each party shall be responsible for its own attorney, expert and other fees, unless awarded by the arbitrator under applicable law. If the chosen arbitration organization's rules conflict with this Arbitration Provision, then the provisions of this Arbitration Provision shall control.

Any arbitration under this Arbitration Provision shall be governed by the Federal Arbitration Act (9 U.S.C. 1 et. seq.) and not by any state law concerning arbitration. Any award by the arbitrator shall be in writing and will be final and binding on all parties, subject to any limited right to appeal under the Federal Arbitration Act.

You and we retain the right to seek remedies in small claims court for disputes or claims within that court's jurisdiction, unless such action is transferred, removed or appealed to a different court. Any court having jurisdiction may enter judgment on the arbitrator's award. This Arbitration Provision shall survive termination, payoff or transfer of this Note. If any part of this Arbitration Provision, other than waiver of class action rights, is deemed or found to be unenforceable for any reason, the remainder shall remain enforceable. If a waiver of class action rights is deemed or found to be unenforceable for any reason in a case in which class action allegations have been made, the remainder of this Arbitration Provision shall be unenforceable.
